

Commercial

Script Transcription Working with the entertainment community is a familiar experience for us. We stand out among our competitors due to our expertise and long history working with major clients in the industry.

The Bureau is very familiar with documenting and processing your entertainment needs. These include:

- Screenplays
- Manuscripts
- Production notes
- Movies
- Radio shows
- Webcasts
- Serials
- Documentaries
- Infomercials

Promotional materials The Bureau's specialized editorial and transcription staff provides you with the highest quality results. In addition, our sophisticated audio and video pre-processing technologies complement our staffs' capability to quickly overcome the technical challenges that cause others to stumble. Our procedures, equipment and expertise gives us the ability to:

- Enhance deficient recordings
- Recognize participants
- Identify context and subject changes
- Document overlapping speech

Accurately interpret specialized terminology and jargon Depending on your needs, we offer the following options for script transcription processing:

- Time coding per your specifications
- Precise verbatim (include "uhms and uhs" and "stut-stuttering")
- Loose verbatim (remove "uhms and uhs" and any non-verbal utterances)
- Language translation
- Speaker and participant identification
- Special formatting and templates per your specifications
